

**Celebrate the opening of our new London 2012 legacy venue**, Lee Valley Hockey and Tennis Centre, at the Investec London Cup this July. The new world-class venue, situated on the Queen Elizabeth Olympic Park will see four of the top men's and women's teams battle for glory from 9-13 July 2014.

It's a big occasion and a great opportunity to see both the England men's and women's teams in action! We hope that you will come and join us to mark what is just the start of a scintillating series of events that will be taking place at our new venue.

### Event Sessions

We are selling tickets to the event in sessions – a morning session and an afternoon session for the Wednesday, Thursday and Saturday of the event (Friday is a rest day with no matches taking place). Sunday 13 July marks the final day with all matches, with both finals included in the ticket price. For full details of the schedule, please see our 'Teams and Schedule' page by clicking here.

Advance tickets start from just £15 for adults and £1 for U18s, making it a very affordable family day out! To find out more, click here.

### Entertainment

We'll also have plenty of entertainment on offer throughout the four days:

Fun Zone – where children (and adults!) can have a go in our speed cage and on our inflatable pitches

Autograph signing sessions with the teams

Half time entertainment, announcer and music

Jasper and Jess, our official mascots will be mingling with the crowds

Opportunity to purchase official England Hockey equipment

Food and drink options available including a licensed bar

Plus much more!

### Competing Teams

MEN: England, Scotland, Ireland and South Africa

WOMEN: England, Scotland, Wales and South Africa
